

Welcome! We're so glad that you have decided to journey with us through these twenty-one days of prayer. Every January at the Rock we highlight 21 days of intentional focus on prayer. Why? Because we know that prayer is powerful and effective! It is communication with the sovereign God of all creation – a dialogue that we are invited to participate in – conversation that changes us!

Paul wrote it this way...

***Don't worry about anything, but pray about everything.
With thankful hearts offer up your prayers and requests to God. - Philippians 4:6***

We are believing that God is going to do something in our church, in individual lives, and in families as we set aside this time to pray to Him, to lift up our homes, our workplaces, our city, and our world. So, let's get started with Day one!

Day ones are always exciting. We get fired up and are filled with anticipation. We're fully engaged. We're pumped. Day 1 is pretty easy. Days 15, 16, 17... get harder. Because, well, somewhere along the line, life happens. Stay the course, though. Keep praying. Come back each day to find the daily prayer guide. Each day we will look into a prayer found in Scripture.

We're excited. Looking forward to hearing stories of heart transformation and life change and answered prayers!

The prayer of a righteous person is powerful and effective.
